

# INSITE SOFTWARE

Earthwork Takeoff and GPS Modeling Solutions

(877) 746-7483

[www.insitesoftware.com](http://www.insitesoftware.com)

## Terms & Conditions

The full year subscription is charged up-front. Subscription converts to monthly payments after the first year. An option to remain on an annual payment plan can be requested. If payment lapses the subscription is cancelled. Renewals are charged for a full year at the current subscription rate.

Price effective 03/01/2022

<b>InSite Elevation Pro</b> speeds up the takeoff process so estimators can be more competitive, improve accuracy, prove their numbers, and create GPS models.	<b>ELEVATION PRO</b>
<b>BILLED ANNUALLY</b>	<b>\$3,540 USD</b>
Installs/Concurrent Users	2/1
<b>Take-Off</b>	
Docking workspace panels	*
PDF plans with vector line selection	*
CAD import	*
Drone/data collector import	*
Takeoff multiple aligned plans simultaneously	*
Simplified Multi-PDF Alignment	*
Undo/Redo	*
Improved file mgmt/recent Job list	*
4K Monitor Support	*
<b>Earthwork Take-Off</b>	
Cut & fill, stripping and demolition	*
Material take-off (concrete, asphalt, etc.)	*
Topsoil re-spread	*
Area, length, item count	*
Soil boring entry / strip & cut by strata	*
Water table depth	*
Dynamic Sloping Lines	*
Calculations from triangulation	*
3-D Live w/ instant update of grade adjustments	*
Production Cut & Fill Contours	*
Cross section view	*
<b>Reports</b>	
Site C & F, Subgrade C & F, Materials, Stripping & Demo	*
Export to PDF, XLS, email and more	*
Export to .KMZ (Google Earth)	*
Export to .DWG	*
Area, length and item count report	*
<b>Tools</b>	
Offsets	*
Split/select tool	*
Multi-phase layer copying utility	*
Dynamic Site Balancer	*
Create .dwg file from balancer	*
Area, length, item count	*
<b>GPS Machine Control</b>	
Model export (Topcon, Trimble, CAT, Leica, Komatsu, et	*
BIM file export (Revit, Sketchup, etc.)	*
Buildings, points, offsets, vertical curb, road alignments	*
<b>Training &amp; Support</b>	
Initial onboarding class	*
Comprehensive manual and training videos	*
North American technical support (holidays excluded)	7 days a week
